Sir:

In response to the Office Action of November 26, 2007, please amend the above-identified application as follows:

**Drawing Amendments** begin on page 2 of this paper.

**A Complete Listing of the Claims** begins on page 3 of this paper.

**Remarks** begin on page 7 of this paper.

Drawing Amendments

Please substitute the replacement drawing sheet 1 accompanying this paper for the drawing sheet 1 that was originally filed with the application. FIG. 1 in the replacement drawing sheet 1 provides the reference number "32" that the Examiner noted was missing from the original drawing sheets.

Please substitute the replacement drawing sheet 2 accompanying this paper for the drawing sheet 2 that was originally submitted with the application. FIG. 2 in the replacement drawing sheet 2 correctly identifies the components corresponding to reference numbers "68" and "70" so they comport with the description in the specification.

Applicant submits that no new matter is added in replacement drawing sheet 1 or replacement drawing sheet 2.
